LOST AND FOUND RFP

Subject: Stake Holders

Author: Abisola Viatonou, Christopher Seman, Damon Jones, Kamran Hussian

Date: 22 February 2026
Reference: STAKEHOLDER-1

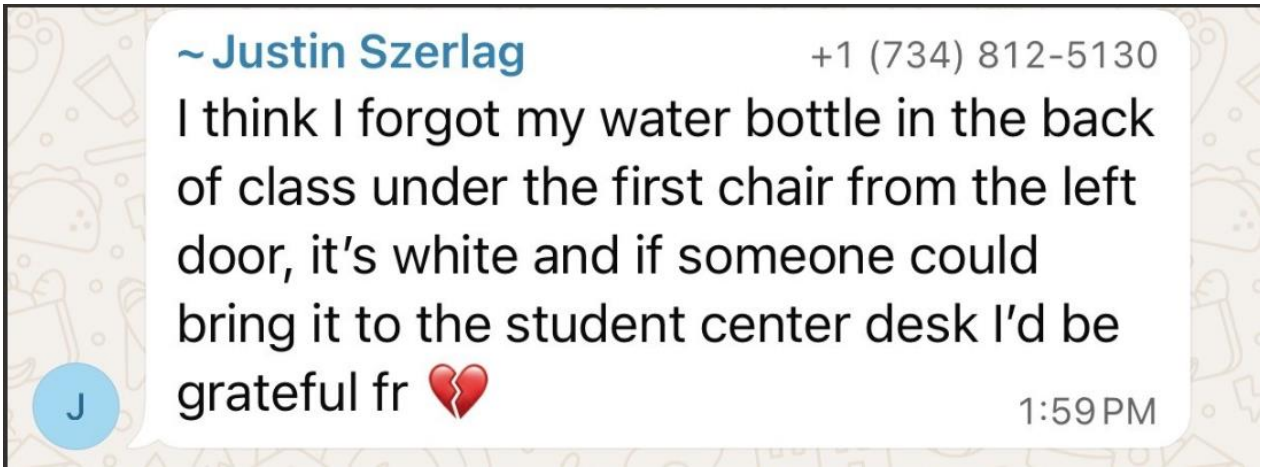
Version: 1.0.0

This document identifies all primary and secondary stakeholders for the Lost and Found Application project. It defines their interests, influence, and communication methods to ensure alignment with project objectives.

Stakeholder	Interest / Role	Level of Influence	Communication Method
Students	Report and recover lost items	High	Email, App Notifications
Faculty & Staff	Submit found items	Medium	Email
Campus Administration	Oversight and metrics reporting	High	Meetings, Reports
IT Department	System maintenance and deploymen	High	Internal Ticketing System
Development Team	Design and implement features	High	Stand-up Meetings

Stakeholder Engagement Strategy Stakeholders will be engaged through surveys, feedback forms, structured interviews, and administrative review meetings. Feedback collected during development will inform requirement refinements and feature prioritization.

Students:



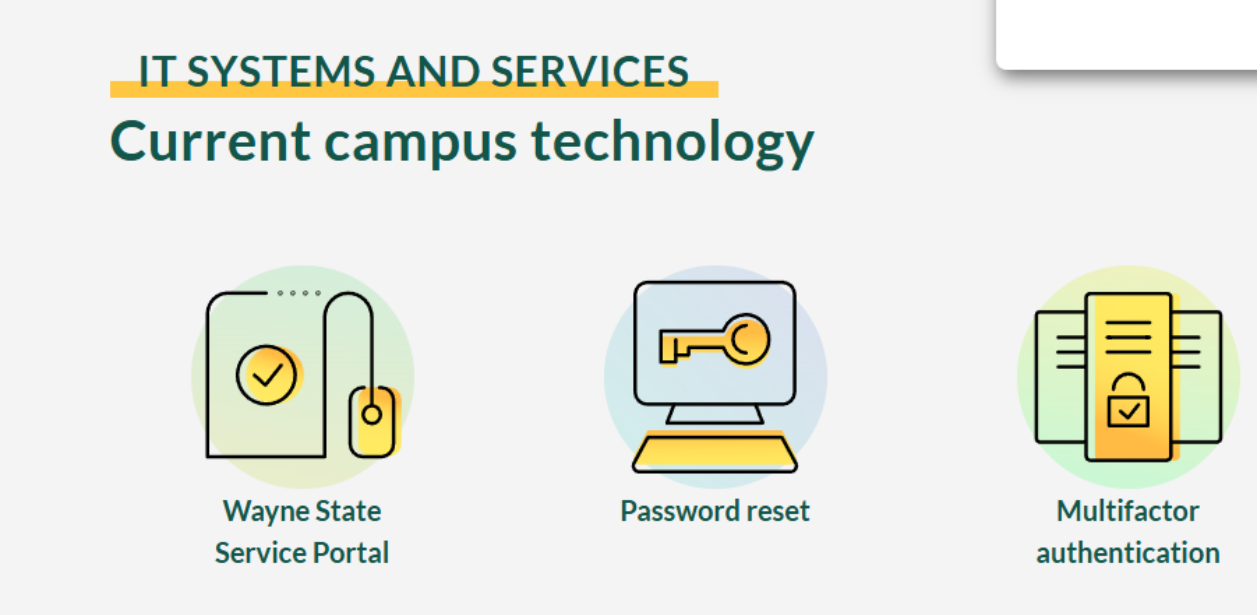
Faculty & Staff (Wayne State Policies):

6.3.2 Lost, Stolen or Destroyed Equipment

POLICY

University Departments must implement and maintain appropriate safeguards to prevent loss, damage, and/or theft of university equipment. Equipment that is lost, damaged or stolen must be reported to PMO promptly. Theft of equipment should also be immediately reported to Public Safety. To prevent losses due to theft, where appropriate, the installation and use of theft prevention devices is encouraged. Damage of equipment should be reported to Risk Management immediately.

PROCEDURES

Responsibility	Action
Department	1. Immediately notify campus police and PMO as soon as theft or mysterious disappearance of equipment becomes known. If equipment is government-owned, notify the appropriate government official. 2. Complete Asset Activity Transmittal form and attach copy of police report to send to PMO for disposal in the Fixed Asset System. 3. Fill out Risk Management Property Loss Notice form at http://www.risk.wayne.edu./. 4. For loss or damages resulting from other causes, report the loss or damage to Risk Management and complete the Declaration of Surplus Equipment form to send to PMO.


Campus Administration & IT Department: School IT department would have the option to host the application on there servers, just like Wayne State does with Academia, Canvas, Office 365, etc. More information can be seen here: https://tech.wayne.edu/docs/wayne-state-status-of-tech-2025-qt-1-2.pdf
